**OUTLANDER**

A woman with long dark hair in a ponytail, wearing a light pink sweater and blue jeans, is running barefoot on a sandy beach. To her right, a young boy in a dark hoodie and grey pants is also running barefoot. They are both running away from the camera towards the ocean. The background shows a sunset over the water with mountains in the distance.

Are we there yet?

It's been quite a journey so far.

Once there were just the two of you  
and now a family.

Instructions, not written but passed  
down from generations.

Somehow, you've made it this far, the next  
generation of Kiwi kids, up and running.

Now it's drop-offs and pick-ups.

A tight schedule of school and sports,  
music and drama.

But now, just two more corners and  
you're there.

Now it's your kids feeling that excited  
urge to run on this beach.

And it's your turn to reset and soak up  
this special place.

You have much to share out here with  
the next generation of your family  
and the Next Generation Outlander  
has much to share with you.

# Next Level Outlander.

ALL-NEW STYLING, FEATURES AND SPACE MAKE THIS  
THE MOST ACCOMPLISHED OUTLANDER YET.

# OUTLANDER

» MODEL SHOWN OUTLANDER VRX in Atlantic Blue.

## » NEXT LEVEL LOOKS.

Whatever way you look at New Zealand's iconic family SUV, you'll be impressed with what you see. Every part of the vehicle has been re-imagined with the needs of Kiwi families in mind. Next-level refinements have made **Outlander** even safer and more capable.

## » NEXT LEVEL TECH.

Mitsubishi engineers set the bar even higher for this all-new **Outlander**, delivering a premium experience for driver and passenger. Thoughtful needs-based technology will have you wondering how you ever did without it.

## » NEXT LEVEL DETAILS.

Briefed on a new design philosophy, the Mitsubishi Motors design team have created a stunning evolution of the iconic **Outlander**. Aesthetically pleasing improvements inside and out build on the Mitsubishi **Outlander** mantra that details matter.

# Rated 'G' for family.

DESIGNED TO DELIVER NEW LEVELS OF COMFORT AND SAFETY TO EVERY MEMBER OF THE FAMILY, OUTLANDER LEAVES NO ONE BEHIND.

Whether you're travelling in the front or rear seats, new levels of comfort await. From handy, well-positioned storage spaces for drinks or electronic devices, to features like integrated rear door sunshades\*, this car just 'gets' you and your family.

The striking new grille features a split headlight design setting razor-thin LED daytime running lights high on the bonnet line. Here you'll also notice the gold sequential turn indicators\*.

» MODEL SHOWN Outlander VRX in Atlantic Blue.

The three-zone light cluster below glistens like cut crystal and contains the high and low beam headlights and LED fog lights.

Spend time behind the wheel and you'll realise why this **Outlander** truly is the Next Generation. Here you'll find a luxurious up-to-the-minute driving experience whether carrying the family or out on a peaceful solo drive.

\*Available on VRX & Exceed models.

# It's all about you.

While undeniably designed to take care of your family, Mitsubishi's designers have gone a step further and created an **Outlander** that knows there are times when busy parents like you deserve to be pampered.

Open the door to new levels of interior comfort. As you slide into the cabin, you're immediately presented with the wide slimline dash and the 9-inch infotainment screen. A panoramic sunroof\* and premium leather\* upholstery

adds to the luxury experience, making your next date-night something to really look forward to.

Meanwhile, all eyes are on you as you pull up in your sophisticated **Outlander**. LED lights sparkle from the grille as streetlights play over the car emphasizing the all-new body style. Deep swage lines emanate from just behind the front wheel arches and continue all the way back to the tail light, giving the car a powerful muscular stance.

\*Available on VRX & Exceed models.

Getting away for the weekend in your new **Outlander** is as much about the journey as it is the destination. With superior comfort and thoughtful tech innovations throughout, **Outlander** will see you arriving fresh, having enjoyed a premium driving experience.

You'll no longer have to plug in your smartphone to charge it\*. Simply place your smartphone in the centre console and direct wireless charging begins as soon as you start the car.

Your iPhone connects wirelessly to the smartphone link display audio system with wireless Apple CarPlay for your apps, communication, navigation and audio.

An acoustically adjustable ten-speaker Bose® Audio sound system\*\* is at your fingertips the minute you're ready to listen to your favourite music.

There's also four other USB\*\* charging ports throughout the cabin along with 4 drink bottle holders and 6 cup holders, all located within easy reach. There's even a dedicated place to safely store your sunglasses.

From the driver's seat, you are presented with a full suite of advanced driver aids and safety features. The minute you start the car, these systems form a protective shield around you and your passengers, making this the most sophisticated **Outlander** yet.

\*Available on XLS, VRX & Exceed models.

# Reporting For Duty.

LIKE YOU, OUTLANDER IS A CAPABLE MULTI-TASKER.

» MODEL SHOWN Outlander VRX in Atlantic Blue.

» FIT IT ALL IN  
Should you need to carry much larger loads like furniture or appliances the second and third row seats fold flat to provide over 1,460 litres of cargo space.

Cool, calm, collected and ready for the day's tasks. **Outlander** is your ever-capable wingman for the day's mission.

Getting the kids to school is the first job of the day and the 7 seats in the **XLS**, **VRX** and **Exceed** models get that easily checked off the list.

As you drive away, your mind immediately turns to the next mission-critical issue. Coffee.

In the centre console, two perfectly-located cup holders await the first flat white of the day.

Now that the kids are off your hands for a few hours, your other collect and carry missions can get underway with easy changes to the seating arrangements. The third row folds down flat to give a large boot space of up to 514 litres.

The 40/20/40 split in the second row of seating gives more options for loading and carrying long or bulky items.

# Now that's a good idea.

OUTLANDER COMES EQUIPPED WITH USER-FRIENDLY INNOVATIONS YOU WON'T BELIEVE YOU EVER LIVED WITHOUT.

» EASY ACCESS (ABOVE)

On VRX and Exceed, leave your keys in your pocket and let the kick tailgate open the rear hatch automatically.

» FULLY CHARGED (RIGHT)

On XLS, VRX and Exceed, handy wireless charging for your smartphone in the centre console.

» MODEL SHOWN OUTLANDER VRX in Atlantic Blue.

Your new **Outlander** understands a thing or two about what makes your day run that little bit smoother. Innovative new touches like the kick tailgate\*\* mean that you no longer have to fumble for your key remote with your arms full. Just approach the rear hatch and with one kick-motion of your foot under the bumper, the hatch automatically opens for you.

Once in the car, there's a dedicated dock space that automatically charges your smartphone without needing to be plugged in\*. iPhones also mirror wirelessly to the smartphone link display

audio system. Gone forever is the need to plug in with a cable. Cable-delete. Approved.

Accurate parking is taken to new levels of easy, with a whole suite of parking aids designed to keep you and those around your car safe. Cameras fitted to the exterior of the car provide a birds-eye view of the car in the large central dash monitor\*. In addition, a feature called 'rear cross traffic alert' warns you of any traffic or pedestrians crossing behind you and the 'rear automatic emergency braking' system will gently brake the car for you.

\*Available on XLS, VRX & Exceed models.

\*\*Available on VRX & Exceed models.

# Whatever drives you.

In New Zealand, any day out on the road, you're likely to encounter a diversity of road surfaces. For your safety, **Outlander** allows you to match the optimum drive capability with the road surface ahead of you. An intuitive drive mode selector lets you scroll through road surfaces to select the correct one, ensuring better safety, handling, and performance.

An illustrated representation appears on the dash screen in front of you to clearly communicate your selection.

In addition, on 4WD Outlander, Super-All Wheel Control provides an extra level of grip by automatically adjusting drive between all four wheels.

Sure-footed 20-inch machine-finished alloys\* are mated to a new 4-cylinder 2.5 litre MIVEC petrol engine delivering 135 kilowatts via a super smooth CVT transmission.

Town or country, this **Outlander** is equipped to tackle what's in front of you.

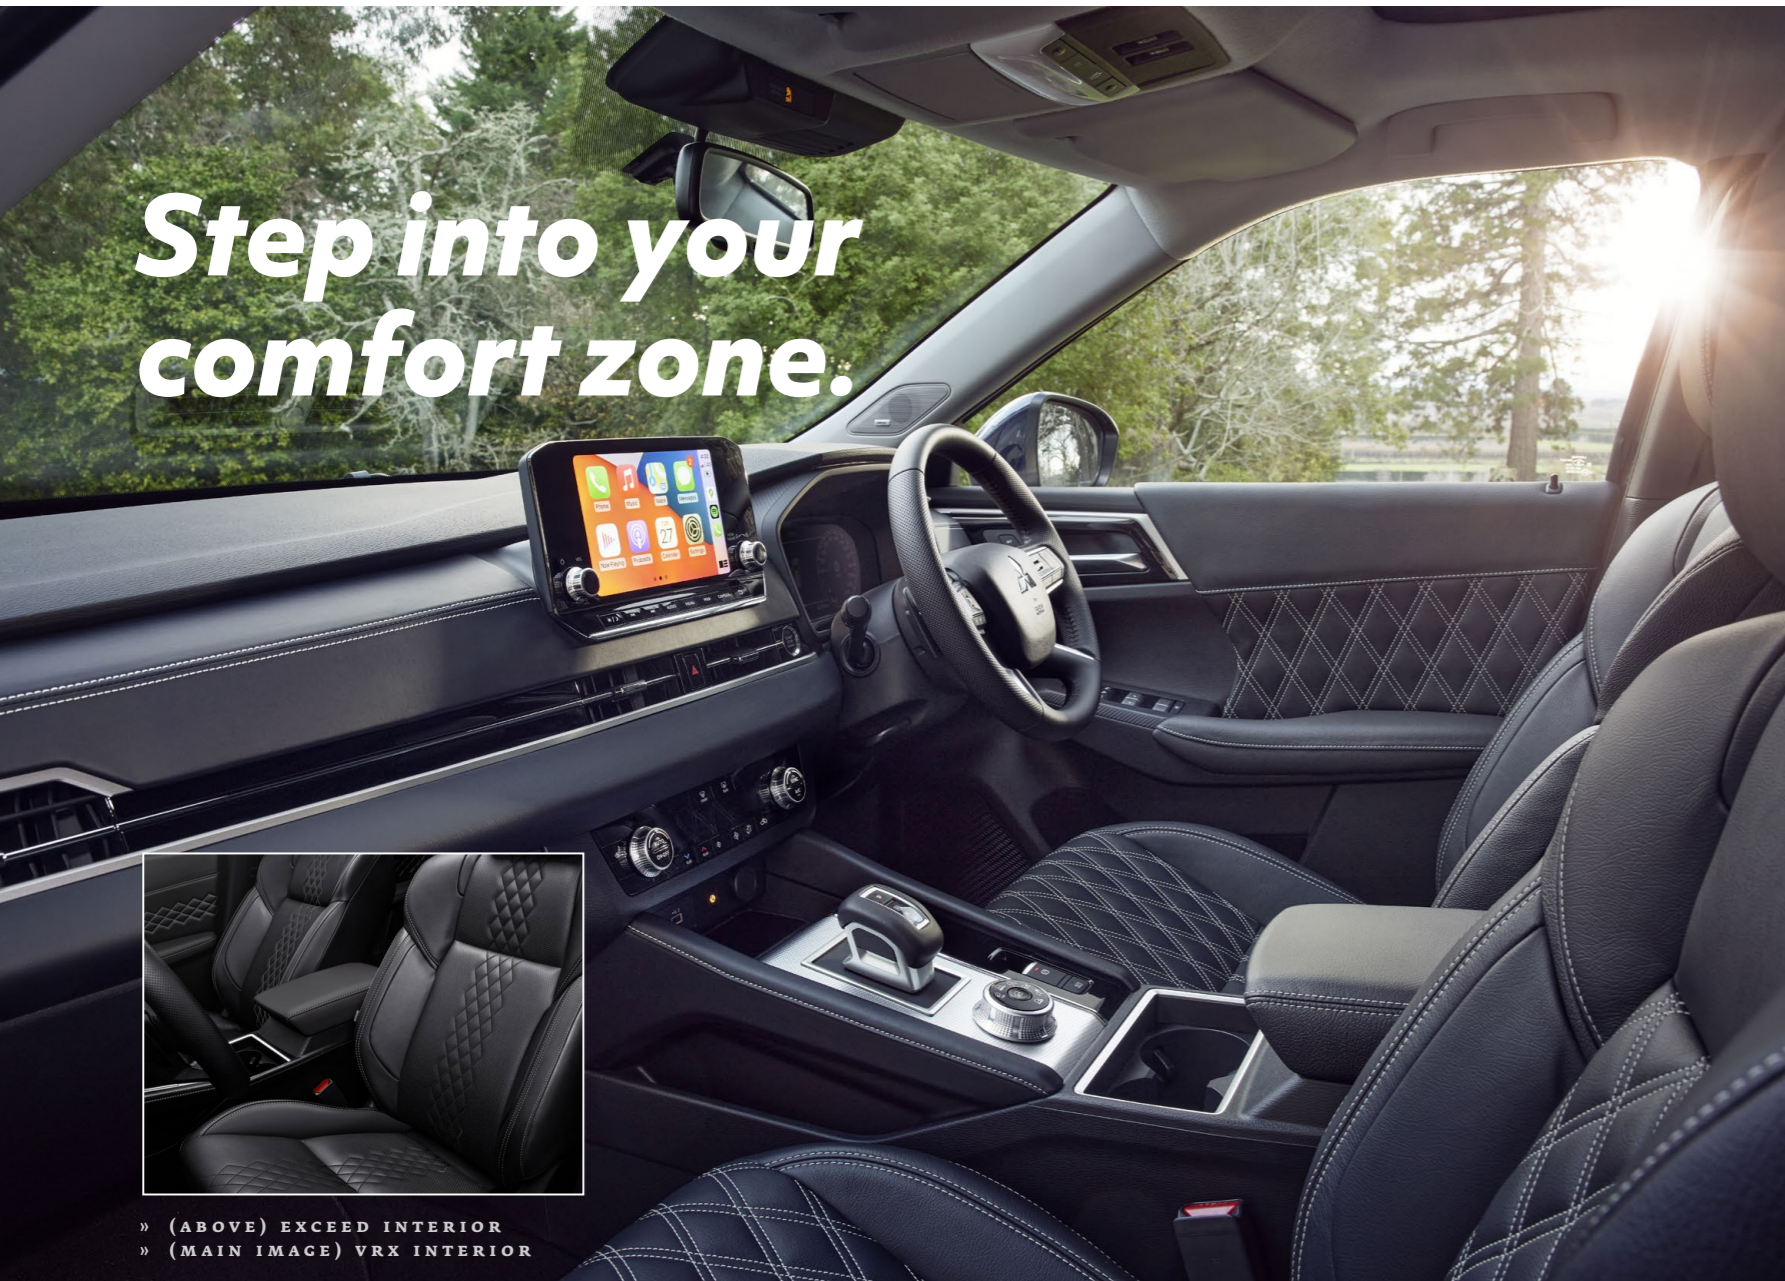

\*Available on XLS, VRX & Exceed models.

The centre console is wider too, housing the drive mode and gear shift selector. Both controls are designed to feel aesthetically pleasing and comfortable to the touch.

On VRX, a premium ten-speaker Bose® Audio Sound System is integrated into the car offering concert hall sound quality.

Being too hot or too cold can make any drive unenjoyable so dual\* and tri-zone\*\* air conditioning allows everyone to stay comfortable wherever they sit in the car.

And on VRX and Exceed, keeping the hot sun off the kids in the back has been addressed as well with new integrated pull-up sunscreens set into both rear doors.

\*Available on LS model. \*\*Available on XLS, VRX & Exceed models.

» PLAY IT LOUD  
 Outlander VRX and Exceed models feature an advanced Bose sound system, with 10 speakers throughout the vehicle.

SETTLE INTO THE LUXURIOUS CABIN OF OUTLANDER AND GET READY TO BE PAMPERED.

The new slimline dash sets a tone of spaciousness, while beautiful on-trend interior details invite your touch. On VRX interiors are available themed in black or light grey with exquisite, quilted leather-appointed seats and door trims. Premium stitching accentuates the sleek horizontal dash that elegantly presents the central 9-inch infotainment screen. VRX and Exceed also boasts heated front and 2nd row seats for those chilly starts.

**Outlander's** wider body allows more comfort and space for both front and rear passengers.

# Next level safety.

NEW OUTLANDER TAKES DRIVER AND PASSENGER SAFETY TO THE NEXT LEVEL.

Across the range, **Outlander** protects you and your family with 8 airbags and a suite of advanced driver assist systems.

All of the familiar **Outlander** driver assist systems are here. Adaptive cruise control will match your speed to that of the vehicle in front of you. Forward collision mitigation judges the distance between you and obstacles in front of you. If the system detects a danger of collision, your **Outlander** warns you and slows itself down. Cyclist detection and junction assist further enhance your family's safety.

Then of course, on 4WD **Outlander**, the ever-vigilant super-all wheel control system makes sure you have optimum adhesion to the road in all conditions.

The **Outlander VRX** and Exceed also includes the new head-up display technology which projects critical driver information onto the windscreen directly in the driver's eye line. This allows you to concentrate on the road ahead without having to look away.

**Outlander** also takes good care of you by watching out for signs you might be getting fatigued while driving.

» MODEL SHOWN OUTLANDER VRX in Atlantic Blue.

The Outlander Exceed features our MI-PILOT driver-assistance system. MI-PILOT takes the stress out of long-distance driving on motorways and repeated stop-and-go traffic. MI-PILOT seamlessly integrates with Lane Keep Assist and Adaptive Cruise Control, to keep you more comfortable, relaxed and less driver fatigue on long drives.

» SAFETY FROM EVERY ANGLE  
On VRX and Exceed models, the Multi-Around View Monitor gives you an all-round view for safety in tight spaces.

## Level up in every detail.

OUTLANDER BRINGS YOU THE NEXT LEVEL IN FEATURES FOR YOU AND YOUR FAMILY.

» (ABOVE) LIGHT AND AIRY  
With a touch of a button, the power panoramic sunroof on VRX and Exceed models, lets in more natural light and creates a spacious feeling.

» (MIDDLE RIGHT) SEE THE ROAD AHEAD  
On VRX and Exceed models, adaptive LED headlights with auto levelling automatically adjust to give the driver a clear view of the road ahead.

» (ABOVE RIGHT) EASY STOW  
The one-touch seat-release buttons allow the 2nd row seats to be easily stowed away for more cargo space.

» (RIGHT) TOUCH OF A BUTTON  
On VRX and Exceed models, both the driver and front passenger seats are power adjustable, and have a memory function for your precise seating position.
